INT. HOSPITAL ROOM - NIGHT

An innocent smile spreads across the face of NURSE ANGIE as she wakes up Malus.

NURSE ANGIE
It's time for your meds.

Malus positions his body to drink the water and ingest pills.

NURSE ANGIE (CONT'D)
It was nice to finally meet your
boyfriend.

MALUS
(caught off guard)
What?

NURSE ANGIE
(affirming)
Love is love.

As Malus struggles to understand the present reality, he does not speak.

NURSE ANGIE (CONT'D)
(blushing)
Webber is adorable.

MALUS
Webber?

NURSE ANGIE
It's funny. I would of never even guessed
he was gay until he said he was your
boyfriend.

Malus doesn't respond to her as he lays back down.
