

**Roman (24, M)**

Roman is a charismatic and enigmatic character. He is in love with Wax but consistently cheats on him, creating tension within their relationship. Roman is dominant in their sexual activities, yet he grapples with his own desires and inner conflicts. His charismatic facade masks his inner turmoil.

**Jafar (24, M)**

Jafar is a confident and alluring character. He harbors a secret crush on Wax and yearns for a committed relationship with him. Jafar's character is marked by his confidence and charisma, but he also struggles with the complexities of his feelings and desires. His involvement with both Wax and Roman adds layers of conflict to his character.

INT. ENCLAVE - NIGHT

As he approaches the table, Roman is felt before he is heard.

ROMAN  
(to Jafar)  
Niggas need to stop sniffing around my  
fucking leftovers!

JAFAR  
Don't come at me like that?!

Jafar's eyes saunter towards Estelle.

ROMAN  
(to Estelle)  
Did you know about this?

Estelle turns her head away.

ROMAN (CONT'D)  
So you knew?!

JAFAR  
So what, we're dating.

ROMAN  
You off base, player.

JAFAR  
I don't see anything wrong with it.

ROMAN  
You're being messy as fuck right now.

JAFAR  
Why?

ROMAN  
Because of the long history of shit  
between us.

JAFAR  
I was dating Wax when he was 15, 16 long  
before "the allegedly straight mister  
Roman hollered at him."

The ladies turn their attention to Roman.

JAFAR (CONT'D)  
So if anybody was far off base, it's you.

Roman mockingly laughs.

ROMAN  
No cap. You may have been dating him, but  
be sure, he sure the fuck wasn't dating  
you.

JAFAR  
That's not true.

ROMAN

You were in the permanent friend zone.

JAFAR

It wasn't like that.

ROMAN

Didn't Wax have a girlfriend or some shit with some little bitch already going on?

JAFAR

Yes, but you knew we were close.

ROMAN

You weren't close. Think about it. That nigga met me and lost his virginity the same night.

JAFAR

Did he lose it or did you take it?

Roman scuffs at Jafar's insinuation.

ROMAN

This is the kind of shit that comes out of the mouth of my so-called best friend.

JAFAR

I love the pro-Roman version of the story that you like to perpetuate.

ROMAN

Nig-gah! Wake up from your fairytale.

JAFAR

You're the one who's out of touch with reality.

ROMAN

Eight years of me breaking that nigga's back is the reality that has played out.

JAFAR

We have all grown.

ROMAN

Wake up nigga! You'll never fill the whole I left!

JAFAR

Everything isn't always about sex.

ROMAN

Trust me, stay in your lane. You will always be just his boring-ass friend!

JAFAR

Not anymore.

In the room, there is a gasp, followed by Roman clenching his fists.
